APG Central Asia: Airlines Promotion Group

About us

APG was founded in 1991, in France. Currently, APG is:

-More than 100 APG offices in 175 countries

-Partnership with more than 200 airlines under GSSA contracts

Through constant innovation, APG has taken a leading position among other providers of services for airlines. What we provide:

-Distribution of passenger air transportation

-Marketing, finance, accounting, consulting.

-The signing of a multinational contract between any APG members representing different countries of the world

In 2016, APG appeared in Central Asia, Kazakhstan, and a year later - in Uzbekistan, with an office in Tashkent.
