B2B & B2C online hotel booking system in Uzbekistan

About us

GotoStans – online hotel booking system in Uzbekistan. We offer the largest database of verified hotels, with up-to-date, reliable information and favorable, exclusive rates.

GotoStans is part of the Dolores Travel Group, which has established itself as a leader in the field of information technology in the Uzbekistan tourism industry. Our first project Dolores Hotels was released in 2016, collecting hundreds of positive reviews from our long-term partners.

In 2022, Dolores Hotels will be replaced by the GotoStans.com. It is not just a rebranding and refresh of functional, but also a fundamentally new audience reach. Updates for B2B are designed to simplify the selection of hotels and reduce the time for processing confirmations and necessary documentation. In addition, GotoStans is now available for B2C as well!

We invite to cooperation of foreign tour operators and travel agencies as well as local offices of international companies whose employees travel in the regions of Uzbekistan.
