Incoming Tour Operator and DMC in Uzbekistan and Central Asia.

About us

Dolores Travel Group is a leading Uzbekistan incoming tour operator based in Tashkent, founded in 1998.

We are focused on establishing long-term and mutually beneficial relationships. The list of our partners from 80 countries and years of productive cooperation is a particular reason for our pride. Annual participation in international tourism exhibitions is not just part of a marketing plan but a joyful opportunity to meet them again. Also, Dolores Travel is always open to making new friends!

We can be described as the leading travel company following tech trends in the Uzbekistan tourism industry, so we are offering modern solutions for the automation and efficiency of business processes and project management.

The professionalism of the company's multilingual staff, many years of experience, and creative potential are realized in our new tours, representing the unexplored facets of Uzbekistan.
